DETAILED ACTION

Drawings

1. The drawings were received on 1/30/06. These drawings are acceptable

Specification

2. The substitute specification filed 1/30/06 has been entered.

Allowable Subject Matter

3. Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-10 is the inclusion of the limitation of a recording apparatus comprising the carriage is stopped at a second position different from a first stopping position provided at one end of movement range and a lever member is provided movably to a first position for fixing the recording means on the carriage or a second position releasing the same therefrom and wherein at the time the carriage is moved to the first stopping position, the lever is moved from the second position for releasing the recording means from the carriage to the first position for fixing the recording means on the carriage. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or
